The details regarding delivery scope, dimensions and weight as well as in terms of appearance are in line with the understanding at the time of printing (07/2017). We reserve the right to make changes to the equipment, technical details, the series scope and the prices. Upon conclusion of the contract, technical changes within the scope of the construction are retained insofar as they serve the technical advancement and are acceptable to the customer. Subtle deviations in colour tone and material properties are reserved – even after conclusion of the contract. This applies insofar as these are unavoidable due to the material itself and are acceptable to the customer. Please note that some of the images contained in this catalogue may include alternative designs or optional extras and accessories that incur an extra cost. Colours may appear altered due to the printing process. Before purchasing a vehicle, please consult a suitable authorised dealer who can provide you with comprehensive information and advice regarding all of the latest models. The decorations illustrated in the catalogue are not included in the scope of delivery. Please also consult the information contained in the current price list, particularly with regard to weights, vehicle load capacities and tolerances. May only be reproduced in whole or in part with the prior written permission of Knaus Tabbert GmbH. Errors and omissions excepted.
