• optional

FIAT

Chassis

- Fiat Ducato 2,3 l 120 Multijet, Euro 6d-Temp (88 kW/120 PS)
- Standard painting white
- Airbag for driver side
- ABS
- ESP, Hill Holder
- Original Fiat captain chair seats with armrests
- Driver's seat adjustable for height
- Cupholder center console
- Rear / front axle stabiliser
- Disk brakes
- Power steering
- Height-adjustable headlights
- Immobiliser system
- 3-point safety belt system
- Central locking for driver's cab, with remote control
- Electrical window winders, front
- Spare wheel

KNAUS

Layout plans

Models with 4 seats and 2-3 sleeping berths:

- Road 540
- Street 600
- Lifetime 600
- Freeway 630

Models with 4 seats and 4-5 sleeping berths:

- Street 600 XL
- Family 600
- Lifetime 600 XL
- Solution 600
- Freeway 630 with option lifting bed

Car body

- Seitz S7P frame window all round (incl. bathroom window and rear window)
- Assembly adapter frame for roof hoods (not 280 x 280mm)
- Roof hoods: Midi-Heki (700 x 500 mm) + roof hatch (400 x 400 mm)
- Insect screen door sliding door
- Sliding door with manual closing aid

Isolation

- Isolation without cold bridges
- Polyethylene foam closed cell content on side walls and ceiling
- Floor plate, sandwich construction made of 16 mm Styrodur, poplar plywood and PVC coating
- Floor thickness 25 mm
- Temperature controlled intermediate floor seating group
- Breathable Soft-touch side wall covers

Furniture design

- Full body construction for more stability/solidity
- Vertical furniture surfaces with ABS coating
- Kitchen work surfaces and table suite in CPL (laminated)
- Aluminium-/Rod profile with round edges
- Furniture hinges with spring reinforcement
- Drawers, flaps and doors fitted flush in furniture body
- Kitchen Drawers open fully with ball bearing guides
- Ceiling cupboards with handles, rocker arms and softclose

On-board technology

- 90 ltr. CUV compressor refrigerator (exceptions: Road 540, Lifetime 600 with 70 ltr.)
- 2-flame hob with glass cover, separate washbasin with cover in worktop surface
- 2 x 11 kg gas bottle locker (Family 600: 2 x 5 kg)
- AGM on-board battery (95 Ah)
- On-board control with digital display for power/water/waste water/battery
- 12 Volt sockets (1x) + 230 Volt sockets (2x)
- LED lighting all round (exception: Entrance light + luggage compartment)
- Water lines routed alongside air recirculation hose
- Shower tray with minimum 2 drains in compact bath (optional variable size wet cell with minimum 3 drains)
- Toilet unit rotatable
- WC disposal tunnel with full cover
- Charging booster for body battery

Comfort

- Living area and driver's cab seats in original Fiat design
- Upholstery options: Turin, Indian Summer, Energy, Casual Silver
- Driver seat and passenger's seat can be swiveled
- Dinette seat bench with side pull-out also during the journey; incl. Isofix
- Dinette table with open access (floating table) can be rotated out; includes a double table top
- Comfort blind system
- Space optimisation in bathroom kitchen, living and sleeping area
- Toilet / shower room with washbasin, casset-toilet and patented shower curtain
- Two-layer cold foam mattresses with breathable and durable mattress cover
- Rear lateral beds with full size slatted frame
- Slatted frames (incl. mattresses) stackable and removable
- Technology module with supply installation and appliance easily accessible
- Operating elements arranged centrally
- Kitchen worktop with sink covering in surface optics and foldable extension

KNAUS BOXSTAR – Packages

Item no.	
210009 FIAT-PACKAGE 29 kg	
200488	Rear view mirrors, electrically adjustable and heatable
200176	Air-conditioning system, driver's cab, manual
200501	Airbag for passenger side
200567	Tempomat – Cruise Control
201952	Height-adjustable passenger seat
202478	Steering wheel with radio operating panel

Item no.	
214102 FUNLINE-PACKAGE 42/50 kg	
550990	Front/side window insulation (pleat system, driver's cab, foldable)
250599	Radio preparation for living area (cable laid incl. 2 loudspeakers)
101080	Electrical entrance step 70cm wide
501646	Awning for 540/600/630 layout plans (model-dependent!)
352059	CP-Plus control panel
352380	Truma iNet system
450740	Waste water tank insulation hood
252615	Lighting control
452718	Water filter system "BWT - Best-Camp mini"

Item no.	
210040 STYLING-PACKAGE I	
201788	Front bumper sprayed in vehicle colour
201815	Alloy rims with standard tyres

Item no.	
210045 STYLING-PACKAGE II	
201788	Front bumper sprayed in vehicle colour
201815	Alloy rims with standard tyres
202140	Spoiler lips in aluminium look (skid plate)
202139	Headlights with black frame
202138	Radiator grill in FIAT shiny black
202137	LED day running light

Item no.	
214117 Ambient lighting package incl. Lighting control	
	includes:
252623	Ambient lighting: Pedestal lighting (night light); RGB lighting rear - ceiling; Open bathroom: RGB lighting in baldachin; Classic bathroom: LED band side wall and ceiling
102497	Gutter with LED lighting

Item no.	
210002 TV PACKAGE 21,5"	
252605	Complete antenna system Oyster 60 Premium Twin incl. 21,5" LED-TV (living area)
252405	TV holder (living area) - incl. combi socket
252479	Pre-cabling for TV (bed area)

Item no.	
210006 MEDIA-PACKAGE 2 kg	
252143	Radio DAB+, All-in-One navigations system with camping software, without CD/DVD-drive, antenna, 3 years map update
251793	Rear-view backup camera incl. Cabling
252715	Headup Display

Item no.	
214118 E-PACKAGE	
252625	Reading lamp "Swan's Neck" with 2 USB slots; ceiling wardrobe at front left
252161	2 pcs. reading lamps (driver's cab)
250072	2 pcs. 230 V sockets in ceiling wardrobe front left
250940	2 pcs. 230 V power sockets rear garage
251248	2. board AGM battery

Item no.	
210018 CARE-DRIVE PACKAGE	
202150	Tyre pressure sensors
202710	Safety Pack Fiat (consists of: Full Brake Control, Lane Departure Warning System, High-Beam Recognition Traffic Signs Recognition and Rain & Dusk)
202164	Rain and light sensors

FIAT

Chassis

- Fiat Ducato 2,3 l 120 Multijet, Euro 6d-Temp (88 kW/120 PS)
- Standard painting white
- Airbag for driver side
- ABS
- ESP, Hill Holder
- Original Fiat captain chair seats with armrests
- Driver's seat adjustable for height
- Cupholder center console
- Rear / front axle stabiliser
- Disk brakes
- Power steering
- Height-adjustable headlights
- Immobiliser system
- 3-point safety belt system
- Central locking for driver's cab, with remote control
- Electrical window winders, front
- Spare wheel

KNAUS

Layout plans

Models with 4 seats and 2-5 sleeping berths:

- 540 MQ
- 600 MQ
- 600 ME
- 630 ME

Models with 4 seats and 2-7 sleeping berths:

- 600 DQ with option lifting bed (front)
- 630 ME with option lifting bed (front)

Car body

- Seitz S7P frame window all round (incl. bathroom window and rear window)
- Assembly adapter frame for roof hoods
- Roof hoods: Midi-Heki (700 x 500 mm) + roof hatch (400 x 400 mm)
- Insect screen door sliding door
- Sliding door with manual closing aid

Isolation

- Isolation without cold bridges
- Polyethylene foam closed cell content on side walls and ceiling
- Floor plate, sandwich construction made of 16 mm Styrodur, poplar plywood and PVC coating
- Floor thickness 25 mm
- Temperature controlled intermediate floor seating group
- Breathable Soft-touch side wall covers

Furniture design

- Full body construction for more stability/solidity
- Vertical furniture surfaces with ABS coating
- Kitchen work surfaces and table suite in CPL (laminated)
- Aluminium-/Rod profile with round edges
- Furniture hinges with spring reinforcement
- Drawers, flaps and doors fitted flush in furniture body
- Kitchen Drawers open fully with ball bearing guides
- Ceiling cupboards with handles, rocker arms and softclose

On-board technology

- 90 ltr. CUV compressor refrigerator (exceptions: Road 540, Lifetime 600 with 70 ltr.)
- 2-flame hob with glass cover, separate washbasin with cover in worktop surface
- 1 x 2,7 kg gas bottle locker
- AGM on-board battery (95 Ah)
- On-board control with digital display for power/water/waste water/battery
- 12 Volt sockets (1x) + 230 Volt sockets (2x)
- LED lighting all round (exception: Entrance light + luggage compartment)
- Water lines routed alongside air recirculation hose (not external shower)
- Shower tray with minimum 2 drains in compact bath (optional variable size wet cell with minimum 3 drains)
- Toilet unit rotatable
- WC disposal tunnel with full cover
- Charging booster for body battery

Comfort

- Living area and driver's cab seats in original Fiat design
- Upholstery options: TURIN (FIAT), ENERGY, INDIAN SUMMER, CASUAL SILVER
- Driver seat and passenger's seat can be swiveled
- Dinette seat bench with side pull-out also during the journey; incl. Isofix (3-point Isofix)
- Dinette table with open access (floating table) can be rotated out; includes a double table top
- Comfort blind system
- Space optimisation in bathroom kitchen, living and sleeping area
- Toilet / shower room with washbasin, cassette-toilet and patented shower curtain
- Two-layer cold foam mattresses with breathable and durable mattress cover
- Rear lifting beds with slatted frame
- Technology module with supply installation and appliance easily accessible
- Operating elements arranged centrally
- Kitchen worktop with sink covering in surface optics and foldable extension

VW Crafter

Chassis

- Crafter 35 Kasten HD Motor: 2.0 l TDI; Euro 6d-Temp; 103 kW SG6
- front-wheel drive
- Airbag for passenger side
- Painting: Candy White
- Uni colors (VW) without addition charge (Metallic/special colors for extra charge)
- Front axle, strengthened (Axle load 2.100 kg, with twin wheels 2.200 kg)
- Suspension/damping, standard and stabilisation, strengthened
- Construction port
- Front bumper in grey with sprayed cover
- Radiator grill with 3 chrome strips
- Side wind assistant
- 6 gear manual transmission
- Hill holder
- Fuel tank with 75 ltr. tank volume; AdBlue about 18 ltr.
- Fog lights with turning light
- Electronic stabilisation program
- Rear view mirrors right and left, convex, with integrated LED flashlight and wide angle area
- Electrical window winder
- Power steering with electronic immobiliser
- 2 radio folding keys
- Wheel center covering chrome badge
- Radio preparation
- Multifunction display "Plus"
- Central locking with radio remote control and indoor use
- Glove compartment with lockable flap, lighted
- Airbag for driver and passenger side with passenger airbag deactivation
- Rotatable passenger and driver chair (incl. Storable handbrake lever)
- Dressing material, warning triangle and safety vest

Car body

- Seitz S7P frame window all round (incl. bathroom window and rear window)
- Roof hoods: Midi-Heki (700 x 500 mm) + roof hatch (400 x 400 mm)
- Insect screen door sliding door

Isolation

- Isolation without cold bridges
- Polyethylene foam closed cell content on side walls and ceiling
- Floor plate, sandwich construction made of 12 mm Styrodur, poplar plywood and PVC coating
- Fabric-laminated side wall claddings (automotive integrated combi-rollos)

Furniture design

- Full body construction for more stability/solidity
- Additional interior noise damping measures
- Worktop kitchen + table seating group + washstand in HPL (laminated)
- Furniture hinges with spring reinforcement and softclose
- Drawers, flaps and doors fitted flush in furniture body
- Kitchen Drawers open fully with ball bearing guides
- Lateral kitchen function flap
- Ceiling cupboards with handles, rocker arms and softclose
- Full-length wardrobe with adjustable intermediate floor
- Automotive storage compartment covering
- Open shelves in the kitchen (with indirect LED lighting) and storage compartment (with integrated 12/230V socket)
- Charging booster for body battery

On-board technology

- CUV compressor refrigerator 90 ltr. with night reduction for reduced energy consumption and noise reduction
- 2-flame hob with divided glass cover and sink with cover in worktop surface
- 1 x 3 kg gas bottle locker
- Diesel heater with boiler: Truma Combi 6D
- AGM on-board battery (95 Ah)
- 2. battery with isolation relay and battery control
- 8 channel light control
- 4 x 12V sockets in driver's cab
- LED lighting all round
- Water lines routed alongside air recirculation hose > frost-resistant
- Shower tray with 3 drains
- Toilet unit rotatable
- KNAUS operation panel incl. distributor box: Basic
- Radio composition audio with mobile port

Comfort

- Upholstery "Memphis" with ergonomic form
- Other upholstery: CASUAL SILVER
- Dinette seat bench with side pull-out and three-stage Lounge function, also during the journey
- Dinette table with open access (floating table) can be rotated out; includes a double table top
- Comfort blind system
- Variable spacious bathroom with shower cabin
- Bi-functional washbasin | Position 1: washbasin, Position 2: ergonomic washstand
- Two-layer cold foam mattresses
- Extendable steps for easier access to bed
- Central, easily accessible equipment and supply installation
- Kitchen worktop with foldable extension
- Intelligent storage concept
- Lashing eyes for load securing
- LED luggage compartment lighting system incl. apron lighting when rear door is open
- Chrome package interior

KNAUS BOXDRIVE – Packages

Item no.	
215200	Crafter package
222633	Air conditioning "Climatic"
222631	Rear view mirrors, electrically adjustable and heated
222632	Cruise control incl. speed limiter

Item no.	
215215	Styling package
222638	LED main headlights with LED daytime driving lights
202568	17" alloy wheels including tyres (235/60R17), front polished in black gloss in exclusive KNAUS Design
222639	Rear view mirrors hinged

Item no.	
210002	TV PACKAGE 21,5"
252605	Complete antenna system Oyster 60/65 Premium Twin incl. 24" LED-TV (living area)
252405	TV holder (living area) - incl. combi socket
252479	Pre-cabling for TV (bed area)

Item no.	
215210	BoxDrive package
101080	Electrical entrance step
250599	Radio cabling incl. additional speakers living area
352059	CP-Plus control panel
352380	Truma iNet system
452652	Waste water tank with interior insulation and E-heating cartridge
552637	Blackout curtain with thermo function
452718	Water filter system "BWT - Best-Camp mini"
	Front- und Seitenscheibenverdunklung REMIfront IV-System (verfügbar ab Q1 2020)

Item no.	
215220	Engery-Plus package
250072	Additional 230V socket - interior
251248	2. AGM battery in rear garage
250940	Additional 12V socket - interior
252654	Touch-CI-Bus multifunktionelt panel med diverse sensorer
232667	Intelligentes Ladegerät mit 25A Ladeleistung
251757	Battery sensor (board battery)

Item no.	
215225	Media Van package navigation
222657	SD card (Europe)
222641	Rear view camera
222640	Car-Net Guide & information, duration 3 years (fixed installed OCU with own card)
222642	Digital radio reception (DAB+)
222648	Multifunctional steering wheel (3 spokes)
222643	Navigation system "Discover Media", 8" touchscreen, 4 speakers, mobile phone port, app connect

Item no.	
215230	Media Van package navigation - PLUS
222657	SD card (Europe)
222641	Rear view camera
222640	Car-Net Guide & information, duration 3 years (fixed installed OCU with own card)
222642	Digital radio reception (DAB+)
222648	Multifunctional steering wheel
222643	Navigation system "Discover Media", 8" touchscreen, 4 speakers, mobile phone port, app connect
222645	Rain sensor
222644	Traffic sign recognition

Item no.	
Assistance systems:	
222647	Trailer manoeuvre assistant, parking assistant and ParkPilot with active side protection - only possible with Media Van package Navigation and hitch

Item no.	
222649	Driver assistance package 1
	Cruise control incl. speed limiter
	Drowsiness detection
	Lane-departure warning "Lane Assist"
	Multifunctional steering wheel (3 spokes)
	Multifunktion display "Plus"

Item no.	
222651	Driver assistance package 3
	Rear view camera
	Multifunctional steering wheel (3 spokes)
	"Front Assist" with city emergency brake function (for automatic distance control ACC up to 160 km/h)
	Rear view mirrors, electrically adjustable and heatable
	Lane-departure warning "Lane Assist" incl. Blind spot sensor with maneuvering assistant
	Dynamic Light Assist
	Daytime running light with headlights system (automatic), "Leaving Home" function and manual "Coming Home" function
	Wiper interval switching with light and rain sensor
	Automatic distance control ACC "followto stop" up to 160 km/h incl. cruise control
	Multifunktion display "Plus"
	Trailer manoeuvre assistant, parking assistant and ParkPilot with active side protection

Item no.	
Assistance systems:	
222646	Parking assistant "Park Assist" and ParkPilot, front and rear end with active side protection - only possible with Media Van package Navigation

Item no.	
222650	Driver assistance package 2
	Automatic distance control ACC up to 160 km/h incl. cruise control
	Drowsiness detection
	Lane-departure warning "Lane Assist"
	"Front Assist" with city emergency brake function (for automatic distance control ACC up to 160 km/h)
	Multifunctional steering wheel (3 spokes)

FOR CARAVANS, MOTORHOMES, CUV MADE BY KNAUS, WE GRANT YOU A 10-YEAR LEAK-PROOFNESS GUARANTEE ON THE BODY MANUFACTURED BY US IN ADDITION TO YOUR COMPULSORY GUARANTEE WITHIN THE FRAMEWORK OF OUR GUARANTEE CONDITIONS.

PLEASE READ THE FOLLOWING IMPORTANT NOTES FOR ALL KNAUS MOTORHOMES/CUV:

All Dimensions and weight data may vary ca. +/-5% due to tolerances of the natural raw materials used. With any modifications done on the vehicle by a non-authorized dealer or garage you may put at risk your personal security and lose KNAUS operating licence and warranty. Therefore please leave reoperations and retrofits to the authorized KNAUS dealers and insist on KNAUS original equipment. Retrofittings, if technically possible, will cause additional mounting and material costs. In exceptional cases some combinations of extras and options may occur as mutually exclusive. We reserve the right to any technical modifications as to design, colour, and equipment, if technical improvement requires us to do so. The images partly show optional equipment which is delivered with extra charge. The contents of this list reflect arrangements at printing, in 07/2019. The price list is valid as from 01.08.2019 for the 2020 model year. With publication of this price information previous price lists are no longer valid. Previous lists are no longer valid. We reserve the right to change content at our discretion.

The water supply system is minimum state of the art (03/2009) (Regulation 2002/72/EG).

Explanations on the weight data for your KNAUS motorhome/CUV: KNAUS motorhomes are characterised by their technical progress. Through innovative solutions such as the use of high-strength steels for the chassis or intelligent honeycomb technology in furniture construction, low tare weights of the KNAUS motorhomes are created. The mass of the empty vehicle as referred to in the price list is the mass of the vehicle with standard equipment and without basic equipment, i.e. without „liquids“ and without optional fittings as referred to in art. 2, ciff. 3 VO (EU) 1230/2012. Mass in running order, see Article 2, ciff. 4 a) VO (EU) 1230/2012, unless nothing different is regulated, is defined as follows: Mass of the vehicle with standard equipment as referred to in manufacturer specifications (incl. tool kit):

- + Fuel tank (filled to 90%)
- + 75 kg (mass of the driver)
- + Aluminium liquid gas bottles (11 kg) filled to 100% (i. e. 18 kg total mass)
- + Fresh water tank (filled to 100%) (Capacity for the Fresh water tank depending on vehicle type is limited to 10 ltr.**/20 ltr.**/40 ltr.** fresh water in running order, if not technically regulated)
- + Toilet flush tank (100 % Full)
- + Fresh water boiler filled to 100%
- = Mass in ready-to-start mode

** The fresh water tank capacity referred to attachment V, part A, ciff. 2.6. Fn. VO (EU) 1230/2012 depending on vehicle type is limited by a circulation valve to 10, 20 or 40 ltr. (suggested filling for running order)

The „permissible total mass“ see Article 2, ciff. 7 VO

(EU) 1230/2012 is defined as follows:
The mentioned vehicle's maximum mass from the manufacturer in loaded state.

The maximum permissible payload as referred to in the KNAUS catalogue is defined as:
Technically authorized total mass - mass in running order = maximum permissible payload

Example:
(Technically authorized total mass) 3.500 kg
- (Mass in running order) 2.850 kg
= (Maximum permissible payload) 650 kg

The information on vehicles provided under the heading „Technical data / Equipment details“ refers initially to the basic model approved under the EC type-approval procedure. These figures may vary in country variants and special models. Please seek information on such deviations personally at your authorised KNAUS dealer.

Pay particular attention to the following aspects:
The maximum load capacity in accordance with the catalogue specifications is reduced, for example, by the mass of passengers and also by the mass of additional equipment ordered. When choosing additional equipment, you are responsible for ensuring that your KNAUS motorhome/CUV still has a minimum loading capacity (=minimum payload) after deduction of the mass of the passengers (estimated at 75 kg per passenger) and the mass of the additional equipment from the maximum loading capacity, which must not be undercut under any circumstances (cf. Annex I, Part A, no. 2.6.4.1.2 VO (EU) 1230/2012):

(Maximum number of authorised passengers plus driver + total length of the vehicle in metres) x 10 = Minimum loading capacity in kg.

Example - calculation of the minimum payload:
[(Maximum number of authorised passengers plus driver) 4
+ (Total length of vehicle in metres) 6] x 10 = 100 kg.

As the buyer of the vehicle, you are obliged to comply with the minimum payload. If the vehicle you wish to order does not have the required payload capacity and minimum payload due to the optional equipment selected, you have two options to choose from for your order:

- Increasing the load of the vehicle
- De-selecting optional equipment

For certain motorhome models made by KNAUS and models with alcove made by KNAUS, you have the option of reducing the number of permitted seats in the vehicle when ordering (depending on the model and only

on demand). Reducing the number of permitted seats in operation by one seat increases the load capacity or the possibility of ordering additional equipment for your motorhome by a maximum of 85 kg.

Your KNAUS dealer will inform you at any time upon request how large the remaining minimum payload of your vehicle is.

The mass of the vehicle with standard equipment according to manufacturer specifications is determined through weighing of the vehicle with standard fitting.

As a user of a motorhome, you are obliged not to exceed the „technically permissible total mass“ and the respective maximum axle loads when driving and to ensure a corresponding axle load-dependent load distribution. You are also obliged to comply with all other regulations that are necessary for the safe operation of your vehicle.

Ordering optional equipment which substitutes specific package options will not be delivered additionally.

The details regarding delivery scope, dimensions and weight as well as in terms of appearance are in line with the understanding at the time of printing (07/2019). We reserve the right to make changes to the equipment, technical details, the series scope and the prices. After a contract has been concluded, we reserve the right to make technical changes within the framework of the construction insofar as they serve technical progress and are acceptable for the customer. Minor colour and texture deviations are also reserved - even after conclusion of the contract - insofar as these cannot be avoided due to the material (e.g. colour deviations of up to approx. 2.0 dE between paint on sheet metal and paint on GRP/plastic) and are reasonable for the customer.

Some of the illustrations show optional equipment that is available at an extra charge or equipment features of prototypes/studies that do not conform to the serial status and in some cases will not be available as optional equipment. Colour deviations are print-technically possible.

Therefore, before purchasing a vehicle, please seek comprehensive advice on the current status of the series from an authorised dealer. The decoration shown in the catalogue is not part of the equipment supplied.

Please also note the comments in the current price list, in particular on weights, payload options and tolerances. Reprinting, even in extracts, is only permitted with the prior written permission of Knaus Tabbert GmbH.

We reserve the right to change content at our discretion.
