BOXDRIVE

KNAUS
FREIHEIT, DIE BEWEGT.

HIGHLIGHTS THAT MOVE YOU

Premium sedan meets city apartment: The KNAUS BOXDRIVE combines driving fun and functionality. Ideal use of the interior, sensible illumination ambience and lots of room turn the BOXDRIVE into an elegant companion – in the city or while on holiday.

For all our leisure vehicles, we offer you a 10-year leak-proofness guarantee on the body manufactured by us as well as a 24-month guarantee from your KNAUS partner within the framework of our guarantee conditions valid at the time of vehicle delivery

FURNISHED DOWN TO THE LAST DETAIL

Arrive more pleasantly: The BOXDRIVE is always as individual as your demands – and therefore well-conceived down to the most intricate detail. Its features are our promise in delivering significant comfort and sophisticated functionality. This way, your trip becomes more pleasant and each day the purest enjoyment.

1. **Unique form language** in furniture construction ¹
2. Lateral **kitchen functional flap** ¹
e.g., for shoe rack or waste
3. **Atmospheric ambient lighting** ² with dimmable spots and overhead lights
4. **Floating dinette table** ¹ with swivel function
5. **Dinette with expansion function** ¹ through to the lounge (can also be used while driving)

Additional highlights:

- Low-noise CUV refrigerator with sleep mode for reduced power consumption ¹
- Kitchen drawers with soft-close function and push-lock ¹
- New type of folding bed function for optimised use of storage space ¹
- The ceiling-high wardrobe with adjustable intermediate shelves ¹
- Extendable steps for easy access to the bed ¹
- Nightlight function with pedestal lighting ²
- In-room bath with room divider and RGB lighting control ²
- Bi-functional washbasin ²
- Ergonomic upholstery in Memphis style ¹
- Diesel heater with boiler: TRUMA Combi 6 D ¹
- and much more...

Arrive safely thanks to the most modern technologies

You can trust in the numerous safety systems. The electromechanical power steering is not only more fun to drive, but also ensures better control. The spacious cockpit offers a great view in every situation. A powerful TDI-Motor always brings the BOXDRIVE to its destination. Side protection and a modern park assist function offer a high degree of safety in the city.

NEW

The optional GPS tracking system by Velocate offers optimal theft protection & can be conveniently controlled via App

INNOVATIVE DRIVER ASSISTANCE SYSTEMS

The right technology in every situation: from the blind spot sensor, the automatic distance control and including the signpost recognition, all systems are aligned to protect your safety. That creates trust and enables driving pleasure without compromise.

1. Front Assist with city emergency brake function²

The Front Assist sensor technology senses the road and recognises critical situations. In critical situations, the emergency brake function is immediately activated. This forward-looking technology creates maximum safety.

2. Navigation system²

"Discover Media" with 8" Touchscreen and DAB+

3. LED main headlight²

with LED daytime running lights.

4. Lane Assist incl. blind spot sensor with Park Assist²

Lane Assist helps you to keep your lane while the Blind Spot sensor scans the blind spot and, if necessary, warn the driver of the presence of other vehicles through a signal light.

5. Trailer Assist, Park Assist and Park Pilot with active side protection, rear-view camera²

Parking is now a lot easier with the Park Assist system – even with a trailer. At all times, the rear-view camera ensures that the driver keeps the overview.

Additional highlights:

- Automatic distance control ACC and cruise control²
- Attention Assist and Automatic Road Sign Detection²
- Air conditioning system "Air Care Climatronic"²
- Towing hitch device with stabilisation function (removable and lockable)²
- and much more...

*Taking the CUV into the city is pure luxury.
Not having to do it, is like being on holiday.
With the BOXDRIVE, you'll be travelling
with your own 5-star hotel*

268 cm

684 cm

204 / 243 cm (with / without mirror)

Always at home. Wherever you are.

With the BOXDRIVE, Miriam and Paul can conquer the city or let the night end quietly and comfortably, while they are surrounded by nature.

1. KNAUS smart CI. On the 4.3-inch touchscreen you can intuitively control a wide range of functions such as lighting and heating as well as e.g., verify the battery charge level.

2. Especially wide sliding door. The sliding door allows you to open up the living area to nature. You can store everything in the practical storage compartment that you will require on your way outside, such as an umbrella or a shopping bag.

KITCHEN OVERVIEW

BOXDRIVE 680 Galley kitchen

Valuable moments at every location. Whether Miriam and Paul are drawn into the city or the country, in the fully equipped kitchen they can enjoy their breakfast anywhere.

1. Refrigerator with sleep mode. The 90-litre compressor refrigerator does not just offer lots of room, but also an optimised sleep mode with reduced operating noises.

2. Floating dinette table. Instead of a bothersome table leg, you can stretch out your own legs and smile about the unobstructed access.

Great how the in-room bath has been integrated here. With the practical folding washbasin, the true ingenuity of KNAUS becomes evident.

- 1. Innovative folding washbasin.** The spacious in-room bath is equipped with a retractable washbasin that – in a pulled-out version – has dimensions of up to 650 x 300 mm.
- 2. Multifunctional vehicle rear.** The spacious rear bed can be lifted up in the kitchen and bath area, to gain better access to the storage space and the on-board technology. The bottom section is – similar to a car – clad with felt and therefore especially car-like and easy to clean.

UPHOLSTERY, PAINTS & DECOR PACKAGES

Design the interior of your CUV in line with your tastes with our numerous upholstery and fabric options. Our ACTIVE LINE upholstery features reliable stain protection whilst also being water and oil repellent. Do you have to go outside to enjoy a glass of red wine? Sure, if you wish. However, that shouldn't be because you're worried about staining the furniture. Of course, your CUV should also sparkle in your favourite colour on the outside.

BWT BESTCAMP WATER FILTERS

The **high-performance filter** system by BWT was particularly **developed for the requirements in our leisure vehicles**. The handy water filter (optional) leaves nothing to be desired in terms of hygiene thanks to the ultrafiltration membrane. **Microorganisms are effectively removed from the raw water**. This allows us to produce hygienically perfect water **without any chemicals**.

Hygienically perfect water for up to 6 months

Particularly easy installation and replacement thanks to clear markings and plug-in connection

If no spare filter is available, the intermediate piece guarantees the further water supply

The information on the delivery contents, measurements and weights as well as the appearance correspond to the knowledge at the time of printing (07/2019). We reserve the right to make changes on equipment, technical data, serial equipment and prices. After a contract has been concluded, we reserve the right to make technical changes within the framework of the construction insofar as they serve technical progress and are acceptable for the customer. Minor colour and texture deviations are also reserved - even after conclusion of the contract - insofar as these cannot be avoided due to the material (e.g. colour deviations of up to approx. 2.0 dE between paint on sheet metal and paint on GRP/plastic) and are reasonable for the customer. Some of the illustrations show optional equipment that is available at an extra charge or equipment features of prototypes/studies that do not conform to the serial status and in some cases will not be available as optional equipment. Colour deviations are print-technically possible. Therefore, before purchasing a vehicle, please seek comprehensive advice on the current status of the series from an authorised dealer. The decoration shown in the catalogue is not part of the equipment supplied. Please also note the comments in the current price list, in particular on weights, payload options and tolerances.
